

The Annual Giving Fund

Support of the Annual Giving Campaign indicates a willingness to be an active member of the School community and a partner in the financial realities of Catholic education. As we are continually challenged to offer state of the art technology and learning in an enriched environment, it is vital to receive your support to help cover the operating expenses that the tuition does not. With your support we can continue to educate and nurture the students who inspire us and make us proud each day here at School of the Incarnation. With the new fiscal year upon us, we invite you to participate in the 2011-2012 Annual Giving Fund.
