- **Brief summary of interest in position (limit to one paragraph)**
As new parent to SOTI, I am interested in helping and contributing to the success of our school community. By volunteering with the HSA in the role of treasurer I can use the skills I have developed over the years as a teacher and a family readiness volunteer to help effectively communicate the budgets and status of the HSA financial records. Over the years, as military spouse I

have come to enjoy volunteering in many different roles but have learned that teamwork is key to success. I am especially excited to volunteer in a school community that truly cares about the education and character of the students within its walls.
