Executive Position Biography Form***

- **Name**
Michael J. Good

- **Position seeking on the Executive Board**
Vice President

- **Experience relevant to position**
A former Army officer and Senior Program Manager, I have over two decades of leadership experience at multiple levels of management in government, intelligence, military, commercial and charitable organizations. Six years' experience as a Senior Program Manager in government and commercial sectors directing multi-year projects managing scope, schedule, budgeting, team building and risk management. Two years executive leadership of a local branch of an international fraternal charitable and social organization.

- **Skills relevant to position**
Recognized Subject Matter Expert in Strategic Growth Planning, Communications and Organizational Change. Expert understanding of team building and personnel development principles. Graduate Level Education in Organizational Management. Program Management Best Practices, Qualitative and Quantitative Operational Analysis, Business Process Engineering, Operational Testing and Evaluation, Financial Planning and Forecasting, Customer Relationship Management, Strategic Communications and Executive-level Strategy Development and Implementation.

- **Brief summary of interest in position (limit to one paragraph)**

I have been a parent volunteer in my children's classrooms for the five years my children have attended SOTI. I have taught Junior Achievement to classes at the school each year, volunteered to coach the 2nd/3rd grade boys soccer camp and supported field trips and various school functions. I want to take this opportunity to continue supporting our school at an organizational level to achieve the administrative and educational objectives of the Archdiocese and improve the education our children receive at the school.
