## **From the Health Room**

We'd like to share a couple quick health reminders in an effort to support a healthy school community.

Please keep your child home if they are sick, as this helps prevent illness from spreading to others. We know this can be an inconvenience, since you have to rearrange your lives, and we truly appreciate all your efforts to keep your child home when they are not feeling well. If your child is coughing or sneezing, but well enough to attend school, we kindly ask that they wear a mask. This is not required, but we would appreciate the courtesy.

We also encourage you to remind your child(ren) to fully tuck their mouth and nose into their elbow when coughing or sneezing to help reduce the spread of droplets. Please practice this and good hand washing techniques at home so these healthy habits stick.

If your child is diagnosed with a communicable illness (for example: flu, COVID, RSV), we'd appreciate you letting our school nurse, Ms. Toth, know by emailing her at [stoth@schooloftheincarnation.org](mailto:stoth@schooloftheincarnation.org) so she can track trends and take appropriate actions when needed.

Thank you for your partnership in keeping our students and staff healthy.

## **Basketball Clinics for students in Grades 2 - 5**

ESP students are taken back to their ESP class if parents haven't arrived.

# New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
