BEYOND PROGRAM INFORMATION

UPDATES

The Golden Knights of SOTI Robotics Team (6th graders Lily Cancienne, Isabelle Flaherty, Nate Canestrari, Andrew Perrelli, and William O'Neil, 8th graders Liam Brownell, Irelynn Flaherty, and Nick Koenig) along with Miss Santini and their coaches (Ryan Rich and Owen Coffee) participated in an all day event in Montgomery County this past Saturday. Team members shared an innovation project (their topic focused on the strength/weakness of Lego bricks based on the colors) and robot design with judges. They also competed in 3 rounds of robot coding challenges and interacted with 23 other teams from throughout the region. We're proud of their efforts and representing SOTI well!

Preschool and Kindergarten Arts and Crafts Club members have had a fun time with many projects during their meetings. Snowflakes, snowpeople, Arctic animals, sock puppets, scratch art, and picture frames are some of the wonderful creations they made this winter.

The Knights Chess Club members continue to learn about the game and are enjoying playing against one another to try out new strategies and improve their success.

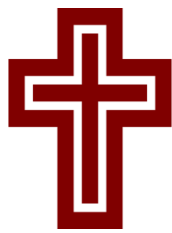

The Coding and Technology Club members have been exploring and learning about ASCII, Morse Code, Makey Makey kits, Little Bits kits, and Scratch coding.

Our Lego Discover and Lego Explore Teams are finalizing their projects in preparation for sharing all that they've learned and created during their meetings with family members. The Explore Teams have also developed coding skills to bring some of their builds to life!

REMINDERS

- When picking up your child at the end of a club meeting, **parents must park in the lot** and walk up onto the sidewalk before that child will be dismissed. Please make sure one of the parent volunteers for that club or Miss Santini knows that you have your child. Your promptness at pick up time is appreciated!
- Snacks for clubs are not mandatory, however, if your child does bring one, it needs to be a **quick, healthy, non-messy/no crumbs item** (great options: cheese, fresh fruit or veggie, applesauce pouch, small protein bar).

If you have any questions or ideas for a club, please contact our school's Auxiliary Services Coordinator, Amy Santini .

Father Daughter Dance FAQs

What is the Father Daughter Dance?

The Father Daughter Dance is a Parent Advisory Council (PAC) event for fathers to spend a special evening with their daughter(s). This is a school community event hosted by the PAC to provide an evening of fun and special memories between fathers and daughters. Girls may be accompanied by their dad, grandfather, uncle, brother, or another responsible adult.

What should I wear?

The attire is semi-formal. Dress up because the night is about making your daughter feel special! Semiformal is less formal than cocktail attire. For the dads it could include button-down shirts (with or without a blazer or sports coat), dress pants or a suit and dress shoes. For the girls examples include dresses, pantsuits, or jumpsuits with flats, sandals or comfortable heels.

What happens at the Father Daughter Dance?

A lot of fun of course! There will be a DJ to keep everyone dancing the night away. When they need a break there will be crafts. There will also be a photo booth for pictures to take home as a special keepsake.

What type of food and drink will be served?

Dinner is not served at this event. Please plan to eat dinner before you arrive. We will provide appetizers and some sweet treats! Water will also be available.

How can I get tickets?

Tickets for the Father Daughter Dance are \$12 per person. Dad/adult and girl(s) must each have a ticket to attend. You may purchase your tickets online at

<https://forms.diamondmindinc.com/schooloftheincarnation/fddance2024>

Tickets will not be sold at the door. Tickets are non-transferable and non-refundable.

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
