### **Catholic Schools Stakeholder Survey**

As part of our ongoing commitment to providing a strong, faith-filled education for every child, we are participating in the annual Catholic Schools Stakeholder Survey. This survey invites families to share feedback about our school culture, academic experience, communication, and Catholic identity. Your voice is essential in helping us continue to grow and strengthen our community.

The survey is anonymous and takes only a few minutes to complete. Ours is a community that values connection and takes pride in who we are together. This survey is about growth, and we invite thoughtful, constructive feedback focused on solutions that help us continue to strengthen our school as a whole.

Please complete one survey per family. Within the survey, you will be able to list all grade levels of your children so that each grade receives credit toward participation incentives. [Parent/Guardian Survey Link](#)

The deadline to complete the survey is Friday, March 6. To encourage strong participation:

- Any grade level with 50% or more parent participation will earn an out of uniform day.
- The grade level with the highest overall participation will win an extra recess/dance party.

We hope to see strong participation across every grade level so that we can gather meaningful insight from our entire community. Thank you for taking the time to share thoughtful feedback and partner with us in our shared mission.

## **PowerSchool Parent Access**

Trimester 2 is ending on Friday, February 27th. Parent Access will be turned off February 26 - March 6 to allow teachers to work on closing out the trimester. Report Cards will be e-mailed home on Friday, March 6th and the parent access will be reopened.

Each Summer Knights Camp lasts one week and is independent of the other weeks. Families can choose the weeks that work best for them. These camps consist of age appropriate activities and in house field trips which follow the theme for the week. There may be the opportunity for off campus field trips as well (TBD). Off site field trips will have additional field trip fees of no more than \$30.00 per trip.

Each Summer Social Camp lasts one week and is independent of the other weeks. Families can choose the weeks that work best for them. There is one week in June and three in July and one week in August. These camps will consist of age appropriate activities and games to allow the students to spend time with their peers having fun while being active indoors and out. This also includes short day trips for activities such as minigolf, bowling and movies.

\*Special note for 5th grade parents. Fifth grade students participating in summer camps, will spend the morning in the older group (Summer Social Camps). You may choose to have them leave at 12:15 PM with the students in grades 6-8. # New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
