Arts and Culture Festival - April 26

We are excited to be having our second annual Arts and Culture Festival for School of the Incarnation on Friday, April 26 from 1:30-4:00 pm. We would like to have many cultures, authentically represented from our community. If your family has first hand knowledge of culture from another country, please consider sharing some aspect of that culture. Culture can include anything from food and clothes, to different celebrations, dance, or music. Please consider how your family might help us make the Arts and Culture Festival a success. You do not need to be present for the entirety of the event if you are not able. If you have questions or a way that you would like to contribute, please fill out [this form](#), or email sspaulding@schooloftheincarnation.org

Attention 7th Grade Parents - Pre-HSPT

All Archdiocesan 7th graders will take the pre-HSPT on April 30th, and results will be sent home with T3 Progress Reports. The pre-HSPT mirrors the HSPT identically, so it will be excellent test prep for when our students take the HSPT as 8th graders this December.

There is no cost to our families for taking the Pre-HSPT, as our school pays for testing materials and administration. All 7th graders will take the Pre-HSPT, regardless of where your child plans to attend high school. Our school will use Pre-HSPT results to conduct an over-arching review of our students' strengths and weaknesses, allowing us to help our students achieve even greater success on the HSPT and in school.

SCHOOL OF THE INCARNATION

BEYOND PROGRAM INFORMATION

UPDATES:

The Preschool and Kindergarten Arts and Crafts Club members have been using their artistic talents to make projects focused on the Easter Season, Spring, and the Solar Eclipse!

The Junior Joggers Running Club continues to have fun while learning about healthy living habits, playing running games, and how to “pace” themselves as they run laps.

The Creation and Imagination Club members are enjoying a variety of activities such as going on a nature walk to find objects in order to create works of art with partners, nature BINGO, painting landscapes using sticks and pinecones, building playgrounds/amusement parks using Duplo blocks, and making a variety of art projects related to Spring.

The Environmental Experts Club will have its first meeting this week. Nature walks, projects related to recycling/reusing/reducing, and finding ways to help to take care of God's world will be some areas of focus.

REMINDERS

- When picking up your child at the end of a club meeting, **parents must park in the lot** and walk up onto the sidewalk before that child will be dismissed. Please make sure one of the parent volunteers for that club or Miss Santini knows that you have your child. Your promptness at pick up time is appreciated!
- Snacks for clubs are not mandatory, however, if your child does bring one, it needs to be a **quick, healthy, non-messy/no crumbs item** (great options: cheese, fresh fruit or veggie, applesauce pouch, small protein bar). Reusable water bottles with built in straws only for drinks.

Adult moderators are vital to the creation and success of these groups, so please consider sharing your time and talents with our students! If you have any questions or ideas for a club, please contact our school's Auxiliary Services Coordinator, [Amy Santini](#)

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
