### **Attention 7th Grade Parents**

All Archdiocese of Baltimore 7th graders will take the Pre-HSPT at school on the morning of Tuesday, April 28th. A hard copy of results will be sent home at the end of the school year.

The Pre-HSPT closely mirrors the HSPT and serves as valuable preparation for when students take the HSPT as 8th graders on November 17, 2026. There is no cost to families, as the school covers all testing materials and administration. All 7th graders will participate, regardless of their high school plans. We will use the results to gain insight into students' strengths and areas for growth, allowing us to better support each student's continued success both on the HSPT and in the classroom.

### **Cold Stone Creamery Fundraiser**

Want to stay cool, enjoy a sweet treat, and support our school? Join us at Cold Stone Creamery in Waugh Chapel on Tuesday, April 28th from 3:00 - 8:00 PM for a SOTI fundraiser featuring a one-of-a-kind creation by our very own 5th grader, Ava K.!

Stop by in-store or order online and 20% of your purchase will be donated back to our school. You can even purchase a cake voucher that day that is valid for an entire year!

And for all our Sir Ozzy fans... he'll be there for the first hour! Don't miss the chance to stop by, say hello, and join in the fun! See the attached flyer for more details.

### **Reminder - Marian Hall FYI**

We will not have access to Marian Hall after Easter break. With that in mind, here is what you can expect after break:

- Morning prayer will be streamed to classrooms, and the class leading prayer will do so from their own room.
- Lunch will take place in classrooms or outside when weather permits. Our Tuesday and Thursday lunch options and Friday pizza will continue as usual.

#### UPDATES:

Trimester 3 clubs have begun, thanks to our wonderful volunteers!

- The Knights Chess Club has met twice so far and have been enjoying some friendly competition playing the game against each other.
- Our Spring Junior Joggers were able to start their season with one meeting so far and had fun learning about healthy habits, proper stretching, running relays, and then running laps.
- The SOTI Scientists' first session was filled with fun while learning about simple chemical reactions!
- For the first session of the Cultures and Languages Club, members learned the basics of American Sign Language. They learned and practiced simple questions and responses, the finger alphabet, The Pledge of Allegiance, and numbers.

- The Coding and Technology Club as well as the Arts and Crafts Club will have their first sessions the week after Easter break.

#### GENERAL INFORMATION REMINDERS

- Middle School Students who are in need of service hours can email Miss Santini to find out more about which clubs and what days are available for this opportunity.
- At the end of each club meeting, students are brought to the front doors to meet parents for pick up. Thank you for being on time, parking in the lot, and walking to the sidewalk to let the volunteers and/or Miss Santini know that you're taking your child. ESP students are taken back to their ESP class if parents haven't arrived.
- Snacks are optional. If brought, it should be a quick, healthy item (fresh or dried fruit or vegetable, applesauce pouch, and a small protein bar are great options). Please...NO candy, chips, cookies, etc. Labeling the food item with "club snack" is helpful to avoid it being eaten at lunch.

# New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
