GENERAL INFORMATION REMINDERS

- Middle School Students who are in need of service hours can email Miss Santini to find out more about which clubs and what days are available for this opportunity.
- At the end of each club meeting, students are brought to the front doors to meet parents for pick up. Thank you for being on time, parking in the lot, and walking to the sidewalk to let the volunteers and/or Miss Santini know that you're taking your child. ESP students are taken back to their ESP class for pick up if parents haven't arrived.
- Snacks are optional and are meant to be a quick, healthy food item (fresh or dried fruit or vegetable, applesauce pouch, tree nuts, and a small protein bar are great options). Please...NO candy, chips, cookies, etc. Labeling the food item with "club snack" is helpful to avoid it being eaten at lunch.

If you have any questions or ideas for a club, please contact our school's Auxiliary Services Coordinator, Amy Santini at asantini@schooloftheincarnation.org

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
