The God Spot

Adoration Volunteers Are Needed for June 5th

On Friday, June 5th we will have Adoration in our school chapel. We are looking for volunteer adorers to provide coverage for 30-60 minute blocks between the hours of 8:00-1:00 This will allow the teachers to bring their classes in for adoration according to their schedule throughout the day.

To volunteer, please click on this link: [Adoration Volunteer Sign-up](#)

For general information on Adoration, you may want to visit the following website for Catholic articles and resources: <https://catholic-link.org/how-to-go-to-adoration-eucharist/>

Weekly Rosary

Parents, faculty, and staff are invited to participate in saying the rosary on Wednesday mornings at 7:15 a.m. in the chapel (enter through front doors – chapel through door to immediate right). We hope that you can join us for all or part of the rosary! Questions - please contact Ms. Hinton at chinton@schooloftheincarnation.org

Parent Advisory Council Update & Leadership Opportunities

We are deeply grateful for the time, energy, and commitment that our Parent Advisory Council and parent volunteers have dedicated this year in support of our students, staff, and families. The many community events we have been able to offer would not be possible without the generosity and dedication of our PAC leadership, committee chairs, and volunteers. These efforts are truly appreciated.

As we reflect on a year of continued growth and increased organization within our PAC structure, we would like to recognize the leadership team for their dedicated service and commitment: Melissa Reagan, Theresa Booker, and Brittany Musgrove, who have served throughout the 2025–2026 school year. We are also preparing for a transition in leadership, as Melissa Reagan will be stepping down from her role at the end of this school year.

As a result, we are currently seeking interested individuals to serve in key leadership positions for the upcoming school year as a member of the PAC team. If you are interested in serving, please complete the application form linked [here](#) by May 15th. A review process will take place prior to the end of the school year in order to ensure that PAC leadership is in place before the summer break. Once leadership is confirmed, they will coordinate outreach to the broader parent community to gather interest for committee chair and volunteer opportunities.

For more information about roles, expectations, and the selection process, please refer to the [Parent Advisory Council bylaws](#) or ask a current PAC leader.

BEYOND PROGRAM INFORMATION

If you have questions or ideas for a club, please contact our school's Auxiliary Services Coordinator, Amy Santini at asantini@schooloftheincarnation.org

UPDATES:

The "Knight Explorers of SOTI" Lego Explore Team wrap up their season this week! They will participate in a Festival at the Johns Hopkins Applied Physics Lab this Saturday, May 16th. We wish them good luck and lots of fun as they gather with other teams from around the region. Thank you to Mr. Barnes and Mrs. Russell for being the team's coaches this year!

The Knights Chess Club members had their final meeting this past Monday. Throughout this trimester, they developed and strengthened skills to play the game. Thank you to Mrs. Carmody for volunteering as a moderator!

Our Spring Junior Joggers are continuing to work towards completing a one mile "Fun Run" for their last session. Club members have done great with running in all types of situations this trimester: grassy field, indoor hallways, sidewalks and parking lot!

The SOTI Scientists have learned about rocks and were able to explore a variety of types as well as take home a special keepsake, polished rock! They also helped create and observe "elephant toothpaste" by using common household items. The final session will be next week and we thank Mrs. Clark for volunteering as a leader for this group!

The Sign Language Club members expanded their vocabulary by learning some common phrases. They've also played additional games to reinforce colors, animals, and common words.

The Coding and Technology Club has been learning about and using "Little Bits" and the Scratch coding language to further understand how to create ideas and physical objects.

Arts and Crafts Club members have been using their creativity to make a variety of projects, including special Mother's Day pictures frames and cards last week!

GENERAL INFORMATION REMINDERS

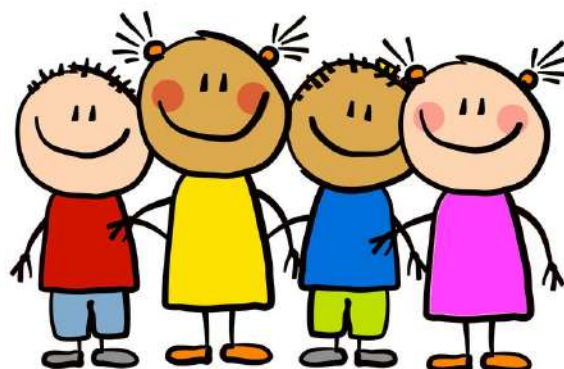

- Middle School Students who are in need of service hours can email Miss Santini to find out more about which clubs and what days are available for this opportunity.
- At the end of each club meeting, students are brought to the front doors to meet parents for pick up. Thank you for being on time, parking in the lot, and walking to the sidewalk to let the volunteers and/or Miss Santini know that you're taking your child. ESP students are taken back to their ESP class if parents haven't arrived.
- Snacks are optional. If brought, it should be a quick, healthy item (fresh or dried fruit or vegetable, applesauce pouch, and a small protein bar are great options). Please...NO candy, chips, cookies, etc. Labeling the food item with "club snack" is helpful to avoid it being eaten at lunch.

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
