Re: Bus Service

I hope this email finds you well and that you are enjoying the end of summer. As we eagerly anticipate the beginning of the academic year, I want to provide you with information on registration for our contracted bus service.

For the upcoming year, we have decided to maintain our partnership with R.E. Wilson Transportation Services. The company is currently under new management, and we have been pleased with their professionalism and recommendations for a successful year. While we did not opt to add an aide, management has agreed to ride the bus several times to ensure a smooth start up. Additionally, the bus driver will make at least two dry runs of the route, prior to the first day of school.

Bus service will begin on Monday, August 28th for students in grades 1 through 8 and on Wednesday, August 30th for Kindergarten students. Finally, service for PreK students will commence on their first full day of school, which is Thursday, August 31st. The cost of bus service for all students, regardless of neighborhood, is outlined in the chart below. Please, note that non-refundable payments will be billed monthly in FACTS in equal installments for ten months, June-September.

Registration for students selecting one-way transportation will be confirmed only after all two-way transportation students have been accommodated. To confirm your use of the bus service, please complete the attached registration form by **Wednesday, August 23rd** to ensure your child's seat.
