ELA Assignments	Math Assignments
<p>Choose your novel/chapter book (not a graphic novel). Your novel should reflect your rising 6th grade abilities!</p> <p>Read your book, using the <i>Scholastic Strategies</i> posted as a material in the Google Classroom.</p> <p>Complete the attached book report, being careful to use complete sentences. Remember to check spelling and punctuation.</p> <p>HEADS UP- you will be presenting this novel summary to your ELA class at the start of the new school year. This will be your first oral language grade in T1.</p>	<p>Choose three skills from your diagnostic action plan to work on each week. Spend 10-15 minutes working on each skill (no more than one hour each week). By the end of the summer, your total time spent on IXL Diagnostic Skills should be about 7 hours. You may work more if you like!</p> <p>If you didn't complete the Diagnostic or are new to SOTI, "Step into the Arena" under Assessments and work until you have been given your levels!</p>
<p>Watch the Readworks Video Tutorial posted in google classroom. Then, sign into Readworks.com</p> <p>Read and answer the questions for "What's in the Oceans? Amazing Ocean Animals"</p> <p>Read and answer the questions for "Summer Camp? No Way!"</p> <p><i>Notes about Readworks:</i></p> <ul style="list-style-type: none"> • When a question asks you to cite evidence from the text, you MUST do so in order to receive full credit on that question! • It is necessary that you reference the passage to answer the questions correctly. • There is no need to submit anything in Google Classroom as we grade responses directly in the Readworks site. 	<p>Find the math assignment called Math: Problem solving. Choose either the Number Pattern or Broken Rulers tasks to complete. You only need to complete one of these. You should work independently as much as you can on this assignment. Be sure to show your thinking skills!</p>
<p>Log in to IXL using your Google Account. https://www.ixl.com/signin/incarnation</p> <p>Work on the following IXL skills until you reach a smart score of 80. If it is taking you more than 15 minutes take a break and revisit at a later time.</p> <p>Please email Ms Rahim or Mrs. Paris if you continue to struggle to reach the 80 smartscore.</p> <ul style="list-style-type: none"> • LL1 Identify Personal Pronouns • KK1 - Identify nouns - with abstract nouns 	<p><u>Math Interactive Task:</u></p> <p>Using the attached sheet as a guide, take a field trip through the grocery store and practice your math knowledge!</p>
	<p><u>ELA Interactive Task</u></p> <p>We wanted to get everyone started with a library task this summer!</p> <ol style="list-style-type: none"> 1. Visit a library (it can be anywhere you travel!!!) 2. Get a library card from your local library! 3. Post a picture of yourself at the library to this assignment OR write a description of your visit on the attached document. (You can do both if you like!)
