From the Principal's Desk

Dear Parents,

I just wanted to remind everyone that tomorrow, Friday, November 1, is a professional development day for the teachers. There is no school for the students. I hope you enjoy the long weekend!

Last night the executive and steering committees for the school's strategic growth plan met with Frank Donaldson, our consultant from ISPD who is helping us with this process. This was our second meeting and we are beginning to pick up momentum. Last night, we reviewed the results of the "Ultimate Question Survey" that so many of you participated in. Thank you! We had over 370 responses. We also approved the prayer that we will use throughout the process and discussed possible themes for the process.

Throughout the process we will be focused on four domains:

- Mission and Catholic Identity
- Governance and Leadership
- Academic Excellence
- Operational Vitality

Under each one of those planning areas there will be planning area teams. Last night committee members submitted names of possible candidates to serve on those planning area teams. Our next meeting will be the week of Thanksgiving, and the plan is to have those invitations out to committee members before that meeting. Exciting times!

Have a safe and happy Halloween - and a Blessed All Saints Day tomorrow!

In Christ,
Ms. Baker

Have your purchased a yearbook??

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
