#### **UPDATES:**

On Saturday, April 2nd, our four Destination Imagination Teams: *Firebirds from SOTI* (8th graders), *Incarnation STEAM Team* (3rd/4th graders), *SOTI Dynamite Creators...Boom!!* (1st graders), and *The Starry Knights* (Kindergarteners) will join over 140 other teams from around the state at UMBC for this year's celebration and tournament. We wish them all the best and a day filled with fun as they show off all their hard work by performing skits centered around their team's specific "challenge."

The Maroon and Gold Junior Joggers Running Club members and coaches are off to a great start! Each session begins with a brief discussion on topics such as healthy eating, exercising, favorite animals/activities/colors, and how to encourage their friends, then stretching is done before doing relay races, laps, and playing running games.

The Guys on the Go Running Club members continue to brave all the different weather elements during their sessions this Spring to strengthen and expand upon their running techniques!

The Coding and Technology Club has been learning different ways to code (through Scratch and Code.org) as well as exploring such technology related activities using "Makey Makey" to play music, "Squishy Circuits," and creating paper circuits with light up features.

The Arts and Crafts Club members began last week by researching their favorite animals and sketching them in a variety of ways/poses. Throughout the trimester, they will use various materials and techniques to showcase their animals (or other subject matters that some of the middle school students have chosen).

The Environmental Club: Caring for Creation Club members continue to learn about God's world and ways to take care of it. Rainbows, butterflies, the season of Spring, and Earth Day are some of the topics that are being learned about while doing fun hands-on activities.

Dear SOTI Family,

We are so happy to share information about this year's summer camps! In addition to the traditional **Summer Knights Camps (Gr. K-4)**, we will continue to offer 4 weeks of **Summer Social Camps** for students in grades 5-8! **All grade levels refer to the 2022-2023 school year.**

Both camp programs will be operating under the school's ESP Program, but will be two distinct day programs. Mrs. Shai and Mrs. Bucci will be coordinating the camps for Gr. K-4, and Mr. Smith will be coordinating the camps for grades 5-8. Below is information for both programs, and a calendar for the scheduled camps.

Each **Summer Knights Camp** lasts one week and is independent of the other weeks. Families can choose the weeks that work best for them. These camps consist of age appropriate activities and in house field trips which follow the theme for the week. Vacation Bible School is actually run by St. Joseph Parish, but takes place at SOTI.

Each **Summer Social Camps** lasts one week and is independent of the other weeks. Families can choose the weeks that work best for them. There are two weeks in June and two in July. These camps will consist of age appropriate activities and games to allow the students to spend time with their peers having fun while being active indoors and out. This also includes short day trips for activities such as minigolf or bowling.

\*Special note for 5th grade parents. Fifth grade students participating in summer camps, will spend the morning in the older group (Summer Social Camps). You may choose to have them leave at 12:15 PM with the students in grades 6-8. If you wish for your 5th grader to remain for the full day, they would transition to the Summer Knight Camp from 12:15-4:00 PM. See below for pricing information

**The registration form and non refundable fee can be processed via this [form](#) or the school website under the Student Life tab.** The registration deadline is Friday, May 6. The payment for the remaining balance of the camp(s) will be assessed separately and will be due by Friday, June 3.

# New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
