## Homeroom Placements

Making homeroom placements is perhaps one of the most important and multifaceted processes that we undertake at the end of each year. When making homeroom placements, the school considers many different factors including a student's academic, behavioral, and social/emotional strengths and/or areas needing support, pedagogical styles of teachers, and overall balance of the classroom. We also acknowledge that parents know their children best and also provide valuable input into the process. Therefore, for the past several years we have made the [Homeroom Placement Request](#) form available to parents to give input or make recommendations for homeroom placement for the upcoming school year. There is not an expectation that everyone completes this form; parents are not required to complete this form for their children. However, it is available if a parent wishes to make a request or share insight. Please note that completing the form does not guarantee a particular placement. Final placements are the decision of the school being determined after consideration of all of the factors listed above. Finally, if parents have previously made a request to a teacher, administrator, or member of the Student Support Team, they must officially document this request using this form. **Only requests submitted via this form will be taken into consideration during the placement process, and all requests must be submitted by Monday, May 23 @ 8:00 AM.**

## **FIELD DAY VOLUNTEERS NEEDED – June 8<sup>th</sup>**

Field Day, for students in Grades 1-7, is just around the corner! We will have plenty of fun games and activities for students. In order for this event to be a success, we need help from parent volunteers. Please consider volunteering to run a station at Field Day by filling out the [Field Day Volunteer Registration Form](#)

## **SOTI Summer Camps –Payment for Camps Due by June 3**

Full (non-refundable) payments are due no later than June 3rd. You may register for Before and After Care and make payment for that as well at this time. Please see the links below:

## **BEYOND PROGRAM INFORMATION**

If you are able to volunteer, have an idea for a club, or have any questions, please contact our school's Auxiliary Services Coordinator, [Amy Santini](#).

### **UPDATES**

SOTI's three running clubs, Guys on the Go, Maroon Junior Joggers, and Gold Junior Joggers, wrapped up their Spring session with a Knights' Fun Run Event which was held on May 7th. Despite the rainy weather, the event was enjoyed by those who could attend in Marian Hall. In order to complete 1 mile, roughly 20 laps needed to be completed, which was the set goal. ALL club members achieved that goal, and many ended up completing 2 miles! Family members came to cheer on the runners as well as participate in some laps with them! Thank you to the volunteer coaches for their dedication to help make these groups a reality and a success: **Karen Piotrowski, Marisol Declet, Ryan Gerald, Chantel Johnson, Kate Sinnott, Susan Bennett, Slavka Weaver, and Valerie Simeral**

The Arts and Crafts Club members learned about and created unique Mandala dot art pictures last week. They will finish their painting and clay projects this week and then have a final wrap up/celebration session on May 26th. We thank Mrs. Beach for her willingness to lead this group for this Spring session and allow her group members to explore their artistic creativities!

### **LOOKING AHEAD TO NEXT YEAR:**

Please discuss with your child(ren) which clubs or teams they enjoyed participating in or expressed an interest in from this past year and any they would like to join during the upcoming school year. Then consider making those clubs a reality by offering to moderate or co-moderate! Most groups meet right after school for 1-1 ½ hours one day each week and moderators' preferences are taken into consideration.

**Each family is asked to fill out the following form by June 1st** (even if you're not able to moderate...those are options within the form). This information will be used to help decide which clubs/teams can be offered first going into the next school year. Thank you!

## **Gabriel Network Baby Bottle Campaign**

In the month of May we honor our holy Mother Mary, and our mothers. Our school community takes this special month to honor and give help to mothers and families in need by participating in the Gabriel Network Baby Bottle Campaign. The Gabriel Network is a Catholic non-profit whose mission is to serve women in crisis pregnancies with practical, emotional, and spiritual support.

**\*\*\*Due Date: Bottles were due back to school by Tuesday, May 17th. Bottles need to be returned filled or not, as they are costly to replace. Other schools and churches use these for their campaigns.**

### **AOB LOGO DESIGN CONTEST: Call for Submissions - Click Here!**

The Department of Catholic Schools is seeking logo design submissions for the 2022-2023 School Year theme – One Body in Christ. The contest is open to students in grades 4 through 11, currently attending an archdiocesan Catholic school. The winning design will be used as the official logo for the 2022-23 School Year theme and will be used for marketing and promotion purposes. The logo can be digital, or hand drawn and should illustrate/reflect the theme. All entries must be submitted to Alex Herzberg ([alex.herzberg@archbalt.org](mailto:alex.herzberg@archbalt.org)) by **Monday, June 6<sup>th</sup>**. The winner of the logo design contest will receive a \$50 Amazon e-gift card.

# New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
