BEYOND PROGRAM INFORMATION

If you are able to volunteer, have an idea for a club, or have any questions, please contact our school's Auxiliary Services Coordinator, [Amy Santini](#).

LOOKING AHEAD TO NEXT YEAR:

Please discuss with your child(ren) which clubs or teams they enjoyed participating in or expressed an interest in from this past year and any they would like to join during the upcoming school year. Then consider making those clubs a reality by offering to moderate or co-moderate! Most groups meet right after school for 1-1 ½ hours one day each week and moderators' preferences are taken into consideration.

Each family is asked to fill out the following form by June 1st (even if you're not able to moderate...those are options within the form). This information will be used to help decide which clubs/teams can be offered first going into the next school year. Thank you!

This Ukrainian family of 5 arrived recently and are sleeping in the RV that my sister's husband set up for them.

Other pictures are at the train station, warehouse where supplies are being stored, and at the stores.

Mother & daughter from Ukraine, reunited in Munich > 11 days. Staying with my twin, pictured.

Hallo liebe Helfer! Eine Dankesbotschaft von Dr. Samsonyuk und dem gesamten Team! 🙏

💙💛 „Unser Krankenhaus Mykolaivska wird überleben! Ein Hoch auf die Ukraine!“

The above message is in German but from the doctors in Ukraine that received the meds driven from Germany

Get to know us: I'm Michelle Boretti. My husband Ken was Special Forces, Army, then a Russian Foreign Area officer. He went into Ukraine to inspect missile silos for compliance with START treaties. I graduated from the Naval Academy and served in the Pacific, including Desert Storm. We lived an hour from Munich for 5 years where Ken did some of his 25 years active duty.

My twin, Marilyn, has lived with her German husband in Munich for over 30 years. She works with the Ukrainian Catholic parish.

What's being done. I've raised over \$32K and inspired an MD scout troop to send 40 boxes of clothes! ALL that immediately goes to help some of the refugees who arrive daily by the thousands from trains to Munich.

Marilyn buys supplies and medicines. She and her family/friends arrange for or give shelter. My niece houses a family with a toddler. A friend hosts a family of 8. A colleague with an empty townhouse shelters 6 women and their children! A Ukrainian group referred by an MD friend is also getting assistance.

I know you want to help. Get it directly to people who are hands-on: **Via Venmo @Michelle-Boretti-1, cash, or check** made out to Michelle Boretti. I deposit the donations locally into an account to which Marilyn has access. She swaps for Euros quickly and gets to work.

Questions? Contact: **Michelle** c 410-980-5906.

New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
