MAP Testing

This year, the Archdiocese of Baltimore will be using the MAP assessment for standardized testing. MAP is an online, untimed assessment that will be administered three times a year in the fall, winter, and spring. Please refer to the following link to access the Family Tool Kit that will provide more information on MAP: <https://www.nwea.org/the-map-suite/family-toolkit/>

COVID Testing

Just as last year, SOTI has the ability to administer rapid COVID tests on-site in the case that a student is symptomatic in school and with the parent's consent. In order for us to administer a test, parents must complete the attached COVID-19 Testing Consent Form prior to the administration of a test. The school nurse will always contact a parent prior to the administration of a COVID test. However, if you would like to complete the form in advance to be kept on file, you may do so and send it in to the school nurse.

Please note: We do NOT test as a service/at the request of parents. The option/opportunity to test is at the discretion of the school nurse and administration.

Girls on the Run Fall Season Registration is open SEPTEMBER 1 through SEPTEMBER 12!

The fall season of Girls on the Run (GOTR) will begin on September 20, with registration open from September 1-12. GOTR is a fun running program for girls in grades 3 through 5. Participating in GOTR helps girls increase self-confidence, develop healthy relationships, and feel good about themselves inside and out! Practices will be held on Tuesday's and Thursday's from 3:00 - 4:15 PM. The program culminates in a 5K on December 4 at Druid Hill Park in Baltimore. **** Every girl who runs the 5K needs a running buddy with her.** Go to www.gotrchesapeake.org to register your daughter. Please contact Mrs. Spaulding with any questions (sspaulding@schooloftheincarnation.org).

Income Survey Responses Needed

Please see the attached letter from Ms. Baker, which was sent out through Swift Reach earlier this week. We are asking each of our families to take a quick moment to complete a confidential electronic income survey that will help to generate funds for our school.

Last year your responses generated over \$100,000.00, and we must have data to apply for various grants again this year. These funds benefit our entire school community and may be used for textbook funding and a variety of schoolwide projects. You may use this link to access the survey: [Family Income Survey](#).

Student Absence, Tardy or Leaving Early

Please remember to email attendance@schooloftheincarnation.org and your child's homeroom teacher by 8:15 AM if your child will be absent, late or leaving early. Information in the email should include your child's full name and reason for absence, expected arrival time or expected early departure time

Early Dismissal/Late Arrival Protocol

At the front doors, there is a sign labeled "Sign In/Out," with a QR code. Parents signing in their child(ren) late to school should scan that QR code with their phone which will direct them to our digital Sign in/Sign Out Form. Once a parent has completed the sign in/sign out form, someone from the front office will admit the student into the building. To sign a student out for early dismissal, please follow the same procedure. Students will be released out the front door once the sign in/sign out form has been completed. Students leaving early must be signed out of school by 2:30 PM so as not to disrupt our regular dismissal procedure.

Volunteer Certification

If you are new to School of the Incarnation and would like to volunteer or chaperone for an upcoming event or field trip, you must complete Virtus training. HOLY FAMILY | OUR LADY OF THE FIELDS | OUR LADY OF PERPETUAL HELP | ST. ELIZABETH ANN SETON | ST. JOSEPH

Thursday, September 8, 2022

Dear School of the Incarnation Families,

School of the Incarnation is committed to proper safety measures, transparent communication, and adapting to changing COVID conditions. Our primary focus is on keeping the well-being of our students, faculty, and staff as our top priority.

In accord with the most recent guidance, we will report positive COVID- 19 cases on a weekly basis. **School-wide notifications of such cases will be sent out on Thursdays via the School Newsletter.** We will not be contact tracing and identifying close contacts within school.

The following positive Covid cases have been reported in our school community:

- Preschool student in Mrs. Seitler's classroom. Last day in school was 9/2/22.
- First grade student in Mrs. Guenther's classroom. Last day in school was 9/2/22.
- Staff member in Mrs. Seitler's classroom. Last day in school was 9/2/22.
- Two siblings in Mrs. Goodman's sixth grade homeroom. Last day in school was 9/2/22.
- Staff member in Mrs. Corrigan's Kindergarten classroom. Last day in school was 9/7/22.

We encourage you to continue to actively monitor the health of your child daily and be alert to any of the major symptoms of COVID; including, but not limited to, fever, cough, sore throat, and shortness of breath. Masking is optional unless directed to do so by a health official after a quarantine. The school is not responsible for enforcing any individual masking preferences or obligations. Should any concerning symptoms appear, please contact your medical professional and alert the school office at 410-519-2285.

Should you wish to review additional information to address any questions regarding your child's potential exposure to a COVID-positive individual, we encourage you to visit the CDC, Maryland Department of Health, or local health department's websites. Thank you for your assistance in this process. We are grateful for your support and partnership.

Sincerely in Christ,

Nancy Baker
Principal

COVID-19 TESTING CONSENT FORM FOR STUDENTS

SCHOOL OF THE INCARNATION

Student Information			
Student Print Name:			
Student SS # (last 4 digits only)

Zip Code:		Date of Birth:	

“**SCHOOL OF THE INCARNATION**” (the “School”), is seeking your consent to test your child for SARS-CoV-2, the virus that causes the novel coronavirus COVID-19. The School is partnering with the Maryland Department of Health (MDH) for a Program to provide onsite testing of students, teachers, staff, and volunteers at the School. This COVID-19 testing program is voluntary and meant to provide a convenient and prompt means to have your child tested for COVID-19 should your child meet the following **Testing Criteria**:

- (1) Exhibits one or more symptoms of COVID-19,
- (2) Comes in close contact with a student, teacher, staff member, or volunteer with COVID-19 or exhibiting symptoms of COVID-19, OR
- (3) Is selected as part of periodic or widespread surveillance testing on the School campus.

This Program is entirely voluntary and your child’s education will in no way be affected by your decision of whether or not to participate in this program. You are not required to consent to testing or the release of information, but if you do not consent, the School will be unable to perform COVID-19 testing for your child.

When will testing occur? If you consent, your child will be tested if and when he/she meets the **Testing Criteria** described above. Your child may be tested multiple times if he/she meets the criteria on multiple occasions. Testing is expected to continue for so long as MDH continues to provide testing supplies to the School as part of this Program.

How will the testing be conducted? If you consent, your child will receive free diagnostic testing for the COVID-19 virus from the School nurse. Test specimens will be collected through a process that involves inserting a swab, similar to a Q-tip, into the nose. The specimens will be tested using one type of COVID-19 tests: (1) a Rapid Antigen Test (BinaxNOW COVID-19 Ag Card). This tests is designed to detect if your child currently has SARS-CoV-2, the virus that causes the disease known as COVID-19. The results of this test will not tell you if your child had the virus in the past or has immunity from getting the virus in the future. For more information, please read the attached Patient Fact Sheets on the Abbott BinaxNow test.

When will test results be available? The Rapid Antigen Test does not require a clinical lab analysis and results will be available within approximately 15 minutes after the test is performed. The School will provide a copy of the Rapid Antigen Test results directly to you.

You should seek **emergency care immediately** if your child shows any of the following symptoms: trouble breathing, persistent pain or pressure in chest, new confusion, inability to wake or stay awake, bluish lips or face.

This list is not exhaustive; you should call your child’s doctor immediately about any other symptoms that are severe or concerning to you.

What should I do when I receive my child’s results? If your child’s test results are positive, please contact your child’s doctor immediately to review the results and discuss what you should do next. You should keep your child at home and keep the School informed. As further outlined in the attached Fact Sheets for Patients, negative results mean that the virus was not detected in your child’s specimens. It is possible for the tests to produce incorrect negative results (called a “false negative”) in some people who have COVID-19. If your child tests negative but has symptoms of COVID-19 or you have concerns about your child’s exposure to COVID-19, you should call your child’s doctor.

RELEASE OF INFORMATION

Information to be Released by School: By consenting to COVID-19 testing for your child, you authorize the School to release information and test results on your child to MDH for the purposes of performing COVID-19 public health surveillance purposes. The School may also be required by law to release test results on your child to federal, state, or local government authorities for public health surveillance and contact tracing purposes. Finally, the School may release information on your child’s test results to school administrators and other officials within the Archdiocese of Baltimore charged with overseeing its COVID-19 monitoring program.

Information to be Released by MDH: By signing below, you authorize MDH to share your child’s COVID-19 test results with the School, the health care provider who ordered the test, and certain federal, state, or local government agencies as required by law.

How long is this consent valid? This consent form is valid through the end of the 2022-2023 school year, unless I provide written notice to the contact person designated below that I wish to revoke my consent.

Can I revoke this consent? You have the right to revoke this consent form at any time by delivering a written notice to the School Principal or designated School Administrator. Your revocation will be effective upon receipt but will not affect any testing or release of information that occurs prior to receipt.

By signing below, I agree that:

- I have read and understand the information in this consent form and related documents and the School has answered any questions I have about the COVID-19 testing offered through this Program.
- I voluntarily agree to COVID-19 testing for my child, and I am legally authorized to make decisions for the child named above.
- I understand that If I am a student age 18 or older, or may otherwise legally consent for my own health care, references to “my child” refer to me and I may sign this form on my own behalf.
- I understand that my child may be tested multiple times during the school year if my child meets the **Testing Criteria** on multiple occasions.
- I acknowledge that a positive test result is an indication that my child must self-isolate and wear a mask, and that I am responsible for contacting my child’s doctor to seek medical advice, care, and treatment.
- I understand that my child’s test results and related information will be shared as described in the Release of Information Section of this form.

Dear Parents/Guardians:

We need your help! Every year our school has an opportunity to participate in federal and state programs that benefit our students with a variety of materials and services. Some examples of available opportunities are:

- The Maryland Textbook & Technology Funding Program
- The Nonpublic Aging School Program
- Title I, Title II, Title III, Title IV services under the Every Child Succeeds Act
- Discounted rates on high speed internet services and infrastructure through the School and Libraries Universal Service Program or E-Rate Program

In order to determine the funding available for these programs, we must have an accurate record of family income information. To obtain this information, we are asking each family to complete our **2022-2023 Income Survey**. Your participation is crucial to obtaining funds that may be used to purchase textbooks and other instructional materials. It may also provide opportunities to fund upgrades to our school facilities. Ten minutes of your time can translate to large benefits for our school community, and would be truly grateful for your assistance.

This year we have provided the income survey on a Google Form for your convenience:

[Family Income Survey](#)

Please be assured that the information you provide is held in strict confidence. The information provided is maintained securely by our school and the information is used **ONLY** for the purposes described above.

As always, thank you for your support and cooperation, **we ask that you please complete the survey by FRIDAY, September 16, 2022.**
